- Enter your first name, last name, email, desired username, and password.
- An email address is required. Free email addresses can be obtained from Google (Gmail), Yahoo, Microsoft (Window Live Hotmail), and other email websites.
- Passwords must be at least six characters long.

Link the account to your students

- Enter your student's first and last name as it would have been entered in PowerSchool.
- Enter the access ID and password for that student. A student's access ID and password are the same username and password that you used to log into the Parent Portal during previous school year. If you do not remember the access ID and password the student's school will also be mailing the student's access ID and password to you. If you have more than one student, each student will have their own access ID and password.
- All of your students can be associated to one username and password
- Lastly, select your relationship to the student and click the 'Enter' button at the bottom-right of the screen
