

TSSA GRANT 22-23

Our TSSA Grant will be used as follows:

- Payroll to employ a Technical Director Specialist

This position will perform the following functions:

- Aide in producing high quality, professional productions for the school across each department
- Provide one-on-one time with technical theatre students, especially conservatory students, in order to enhance skills in order to aide students in getting accepted to University technical theatre programs and find technical theatre jobs out of high school
- Provide connections and opportunities for technical theatre students to take on internships or work projects outside of school to give work experience.
